LIST OF INTERNATIONAL ACTIVITIES AND COOPERATIONS

- **Cooperation with Instituto Inter (Valencia, Spain)** for training experiences for students in the mechanic field. **Instituto Inter** started teaching professionals in 1977 in different areas: Vocational Training, Training for the Employment, Teaching for getting Professional Certificates from the Industry Department, private courses just to learn the profession. These are some of its characteristics: 1. Authorised by Conselleria de Cultura, Educación y Ciencia de la Generalitat Valencia, D.O.G.V.de 8/9/99 (Centre number: 46023055) to teach VOCATIONAL TRAINING (medium and high cycles): Car Mechanics, Auxiliary Nursing Care, Electrics and Automatics, Childhood Education, Dietetics, Electrotechnical Installations, being most of them not only in class but online; 2. Validated by the SERVEF (Registration number: 4600001290, 460000610, 4600001799) for official courses for unemployed people and also for working people; 3. Authorised by the Servicio Territorial de Dirección General de Industria y Energía de la Generalitat Valenciana to teach courses which enable to get the official license of fitter/maintainer of plumbing, gas, boilers, low voltage; 4. Besides that, it is a centre which cooperates with Confederación Empresarial Valenciana since 2004, teaching courses for working people granted by the own Valencian companies.
- **Cooperation with 2nd Gymnasium of Alimos (Athens, Greece)** for planning job shadowing experiences. The 2nd Gymnasium of Alimos is a public high school located at Alimos, a suburb of Athens. The staff and students are interested in the arts, theater, literary groups, establishing our European identity. For 2015-2016 2nd Gymnasium is working on two projects: the literary and cultural dimension of food and the refugee problem, the latter in cooperation with teatroedu and UNCHR.
- **E twinning project in cooperation with the school Leap Savy-Berlette, France** for developing communication competences of students in mechanic classes
